### **LSA Sunday celebrates the ministry of Lutheran Services for the Aging**

Fifty years of compassionate care...50 years of serving the needs of older adults...50 years of expressing God's love in Christ to those we serve. Lutheran Services for the Aging (LSA) is proud to be celebrating its golden anniversary as a not-for-profit ministry of Christian care to North Carolina seniors and their families. While the LSA ministry certainly has grown since its beginning in 1960, one thing remains the same – LSA's dedication to the 1,200 residents entrusted to our care.

LSA is now one of the largest providers of faith-based senior care in the country, touching the lives of older adults on a daily basis through skilled nursing care and assisted living in Hickory, Salisbury, Albemarle, Winston-Salem, and Clemmons; retirement living in Arden and Salisbury; and adult day services in Salisbury. The social ministry also offers geriatric care management services that allow LSA to serve thousands of elders across the state, outside the walls of LSA facilities. A geriatric care manager works with older adults who require assistance to remain safely at home.

*LSA Sunday* is a time not only to honor those who live and those who serve in the LSA ministries, but it is also a perfect time to pay tribute to the older adults in congregations across the state. Thank you for your continued support over the years in helping LSA celebrate its ministry and mission. We would not be successful without you!
